HOW TO BUY ETHEREUM

---

**In order to mint or purchase an NFT, you also need to obtain some ETH in your MetaMask or Trust Wallet.**

**There are many different ways to buy ETH to get ready for mint day!**

**NOTE: Always make sure to add an extra \$20-\$80 worth of ETH for gas fees. Our ERC721A contract saves you up to 80% gas, but there are still gas fees.**

# Option 1:

## MoonPay

The image shows a screenshot of the MoonPay website and a mobile app interface. The website header includes the MoonPay logo, 'Help Center', and 'About us'. The main heading is 'How to buy ETH?' followed by 'Buy Ethereum, join the crypto revolution'. Below this, it states 'MoonPay offers a fast and easy way to buy and sell Ethereum.' The section 'How to buy Ethereum?' contains a four-step list: 1. Enter the amount in ETH or fiat currency, 2. Enter your ETH wallet address, 3. Verify your email and basic information, and 4. You're now ready to buy Ethereum with a credit card or your preferred payment method! To the right, a mobile app interface shows the 'Buy ETH' screen with a currency dropdown set to 'ETH - Ethereum', an amount input field with '300', and a summary table.
